ACT I

The Avengers receive an urgent message from deep space when the cosmic hero Nova crash-lands in New York City, saying “It’s coming...” Thus Earth’s Mightiest Heroes learn the Phoenix Force is cutting a swath across the stars, destroying anything in its path. When they then detect a sudden burst of Phoenix energy emanating from Hope, the Avengers go to the mutants’ island home of Utopia to retrieve the girl in fear of what the Phoenix Force will do to Earth once it finds her...
